STEP OUT OF FEAR

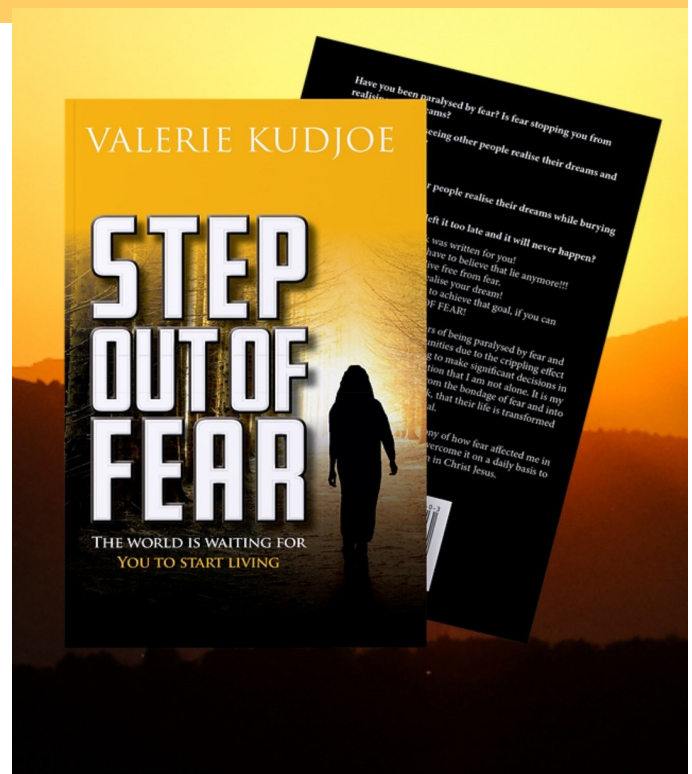

Welcome!

Welcome to the first edition of the Step Out of Fear newsletter!

Following the launch in April 2023 of my book of the same title, I had such a positive response from so many people that I wanted to reach as many people as possible.

I also wanted to make any information I share as accessible to as many people as possible, hence the newsletter.

If you would like to stay updated with what is going on, visit my website regularly and tell a friend.

“For God has not given us a spirit of fear, but of power and of love and of a sound mind “ 1 Timothy 1:7 NKJV

Coming in 2024!

If you were fortunate enough to attend my book launch in April, you would have seen and heard some powerful people including my life partner, my husband Pastor Andrews Kudjoe, my brother Chaplain Joseph Daley, my friend of nearly 30 years, Prophetess Regina Barbour,

Pastor Karen Fyffe, Bishop Sharon Rolle, Pastor Carlton Troutt, Pastor Marie Reid who also designed my book cover, and another great friend, Elder Patrick Reid.

The book launch was hosted by a very special lady and dear friend Camelle Ilona

who is a powerful visionary.

Prepare to join some of us for an in-person event in 2024 for Worship, Prophecy and the Word!

Watch out for more details later on in the year.

What Is Your Assignment?

In the book Step Out of Fear I address the issue of knowing who you are, what you have and what you are supposed to do with it.

We have all been given unique and special gifts. Knowing who we are and what we have is crucial to knowing what is our God-given assignment on earth.

Some assignments will be

very visible or public but some will be behind the scenes and less visible, taking place locally and to individual people. This does not make your assignment less important than the one that is in the public eye.

The level of anointing could be an indication of whether your assignment is public or private because it is not easy to deal

with public opinion, which will definitely come once you start to operate in that space.

Part of my assignment is to assist and support others to discover and identify their gifts, skills, talents and abilities and how they are to be used for the glory of God.

I will be sharing tools to facilitate this in each edition of this newsletter.

Online Workshop in January 2024

The World is waiting for you to start living the life God ordained for you to live.

January will see the first of the online workshops where I will share the tools and information as I mentioned above, to help you identify and discover your gifts, skills, talents and abilities.

We will look at pointers and clues that will lead to you discovering your assignment

and how to get started.

You will receive homework to complete and practical tools to transform your life into what God designed it to be.

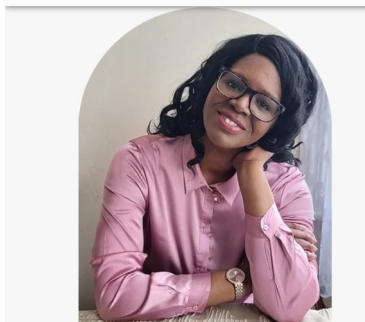

As the book title suggests, we will look at fear and how it may be affecting your ability to function in the way and the space God ordained for you.

Get ready to Step Out of Fear and start living the life you were created to live.

Invite a friend who you know needs help in discovering who they are, what they have and what they should be doing with it.

You will need to subscribe to my website to receive the details of the workshop.
